Why Choose No-Bull™?

Drilling fluid loss during drilling operations is undesirable, expensive and a potentially hazardous problem. No-Bull™ LCM is an innovative drilling fluid additive to the mud system which fills the fractures and voids that can be created while drilling.

No-Bull™ LCM is an eco-friendly product. No-Bull™ LCM is composed of highly processed, light weight, natural plant fibers that offers superior performance in down hole applications.

Try No-Bull™ LCM today! We dare you to compare.
